It is crunch time as we close in on Election Day 2020! The votes you and your fellow North Carolinians cast now will dictate the entire tone of the next legislative session. This is our one big chance every two years to rearrange the set pieces at the General Assembly.

That is why your NC Nurses PAC is so vital: it helps identify and support legislators who have pledged to support nurses and patients. The PAC is 100% non-partisan. It supports legislators and candidates across the political spectrum – as long as they support nurses! It’s also one of the best ways to help ensure some of our own members are on Jones Street setting policy. We already have three NCNA members serving in the General Assembly, and hope to add a fourth this fall.

The NC Nurses PAC Board of Directors does a fantastic job of strategically targeting legislators who will promote our legislative priorities. Its track record of supporting candidates who go on to win their races proves that board members understand the importance of spending YOUR donations wisely. We plan to make sure that trend continues into 2021 and beyond. Please consider donating now so we can go into the home stretch with as much momentum as possible.

Important Election Info

Absentee ballots can be requested until October 27, 2020. You do not have to mail your absentee ballot – you can return it in-person to your county board of elections office by 5 p.m. on Election Day. During the Early Voting period, you can also return your absentee ballot to any early voting site in your county.

Absentee ballots received after 5 p.m. on November 3 will only be counted if they are postmarked on or before November 3 AND received by mail by 5 p.m. on November 6.

Early voting is available in every county, but times and dates may vary.

Election Day is November 3. Polls are open 6:30 am to 7:30 pm.

For more information on all of your voting options, visit www.ncsbe.gov/Voting-Options.
