
Gail K. Shue, DNP, RN

Gail is currently the Trauma Systems Nurse Coordinator for the Piedmont Regional Trauma System in Winston-Salem, North Carolina, working jointly with Novant Health Forsyth Medical Center and Atrium Health Wake Forest Baptist to improve trauma care for Forsyth County and the surrounding region.

Dr. Shue has over 33 years of experience as a registered nurse in emergency and trauma nursing. She holds numerous instructor certifications in the Emergency Nursing Association (ENA) and Society of Critical Care Medicine (SCCM) courses. She has also served as an educator in various leadership and management roles in nursing and has developed a regional Critical Incident Stress Management (CISM) team. Additionally, she serves as

the Executive Director of the NC Division of the American Trauma Society and on the National Board of Directors. In 2018, she graduated from the NCNA Leadership Academy and served as the NCNA Convention Curriculum Committee Chair from 2020-2021.

Dr. Shue was born and raised in Concord, North Carolina. She completed her BSN from UNC Charlotte in 1990, her MSN in Nursing Education from American Sentinel University in 2016, and her DNP in Educational Leadership from Post University American Sentinel College of Nursing and Health Sciences in 2022. She was recently appointed to the North Carolina Foundation for Nursing (NCFN) Board of Trustees. Serving on the NCFN Board of Trustees was vital since I received the Mary Lewis Wyche Scholarship twice during my DNP studies. I thought giving back to the organization that supported me while I furthered my education was essential.
